2

## Focusing Direction

Realized that teaching actually  
really resonated with me  
Took 1 year contract specializing in  
math

## Reflection

Decided teaching was the right  
career for me and to apply into a  
BeD program

## Universal Design for Learning

Appeal to all the different learning  
styles in my classroom

## Thinking Classroom

"Thinking is a necessary  
precursor to learning, and if  
students are not  
thinking, they are not learning"

## Adaptive Expertise

Have learners develop the "ability  
to apply meaningfully-learned  
knowledge and skills flexibly and  
creatively in different situations"
